A.C.E. Building Service chosen as design/build contractor for expansion project

A.C.E. Building Service of Manitowoc was selected as design/build contractor for an expansion project by Doug Halstrom Enterprises, LLC, in Valders. Owner Doug Halstrom chose A.C.E. to expand his existing facility on Washington Street to create additional space required by his growing business, Gnutti North America, Machinery Services.

Construction has already begun and will be completed in July.

Founded in 1950, A.C.E. Building Service is located in Manitowoc and provides commercial and industrial construction services – including new buildings, expansions, renovations, metal re-roof, facilities maintenance, design/build, and build/lease.
