A.C.E. Building Service chosen for Red Arrow expansion

Red Arrow Products in Manitowoc has chosen A.C.E. Building Service as the general contractor for an addition to its Water Street facility. The 2,189-square-foot expansion will meet the manufacturer's growing space needs with manufacturing and engineering offices, file storage and an additional conference room. A.C.E. will be installing the Butler MR-24 standing seam metal roof over the new section.

Founded in 1950, A.C.E. Building Service is located in Manitowoc and provides commercial and industrial construction services – including new buildings, expansions, renovations, metal re-roof, facilities maintenance, design/build, and build/lease – to Manitowoc and Sheboygan Counties.

Based in Manitowoc, Red Arrow is a manufacturer and supplier of flavors and browning agents for the meat and food industry on a world-wide basis.
