A.C.E. building new facility for Pre-Heat, Inc. in Oostburg

A.C.E. Building Services in Manitowoc has started a new building project for Pre-Heat, Inc., in Oostburg. A.C.E. was selected as contractor for the 8,703-square foot conventional steel building, which was designed by Plunkett Raysich Architects, LLP, of Milwaukee.

The facility is an expansion project that will house a new 20-ton overhead crane and provide the Oostburg manufacturer with better material handling and efficiency in the production of their industrial duty heat exchangers. The project will be completed by year end.

Pre-Heat Inc. specializes in custom industrial air-to-air heat exchangers and packaged heat recovery systems. They are located at 421 Business Park Dr. in Oostburg. For more information on the company visit <http://pre-heat.com/>

Founded in 1950, A.C.E. Building Service is located in Manitowoc and provides commercial and industrial construction services – including new buildings, expansions, renovations, metal re-roof, facilities maintenance, design/build, and build/lease – to Manitowoc and Sheboygan Counties.
