

PROFESSIONAL LAND SURVEYOR

Become part of the A.C.E. Building Service team and join the next generation of construction leaders!

Join our dynamic team as the lead Land Surveyor and conduct both residential and commercial property surveys. Use your expertise to map boundaries and topography with precision, creating detailed maps and reports.

Key Responsibilities

- Conduct land surveys to determine boundaries, topography, and legal descriptions for properties, including new and existing developments
- Use advanced surveying tools such as GPS and robotic total stations to gather data
- Prepare detailed survey reports, maps, and legal documents, frequently completing certified survey maps, plat of surveys, topography surveys and residential site plans and occasionally performing ALTA surveys and subdivision plats

Required Experience & Qualifications

- Licensed as a Professional Land Surveyor in Wisconsin
- Experience with AutoCAD or Civil 3D, Microsoft Word, Excel and Outlook
- Valid Wisconsin driver's license
- Ability to navigate uneven terrain and work outdoors in all weather conditions
- 5 or more years field/office experience in surveying
